

UNISA Sacco celebrates ten years of saving together

Members, leaders and friends of the Sacco gathered on Saturday, 24 October 2026, to mark a decade of UNISA Sacco Society Limited with dance, members' stories, food and a shared vision for the years ahead.

UNISA Sacco members at the 10th anniversary celebration.

Ten years ago, a small group of members took a bold decision to start a Sacco of their own. On 24 October, the UNISA family came together to celebrate how far that decision has carried us. It was a joyful day of dance, conversation and shared memories, and a chance to honour the members whose steady saving has built the Sacco we have today.

Stories from our members

The heart of the day was the testimonials. Members took turns to share how saving with UNISA has changed their lives: businesses started and expanded, homes built, children educated and families given a firmer footing. Each story was a reminder that the Sacco's real strength is measured in the lives of its members, one monthly deposit at a time.

The road ahead

Looking forward, the leadership shared the Sacco's vision for its next chapter: a stronger capital base, solid assets, full regulatory compliance and products that meet members' changing needs. UNISA is now a Sacco without borders, with members living and saving across five continents: Africa, Europe, North America, Asia and Australia.

"As we celebrate this milestone together, as a board and as members, we must also plan ahead. The next five years will be about growth."

STEPHEN NDERITU, CHAIRMAN, UNISA SACCO SOCIETY LIMITED

Marking the milestone

The celebration concluded with a luncheon and the ceremonial cutting of the anniversary cake. Sacco leaders and members cut the cake together, symbolising the collective commitment that has sustained UNISA over the past decade and will carry it into the next.

Read UNISA @ 10, our commemorative magazine

To mark the milestone, the Sacco has published **UNISA @ 10**, a commemorative magazine celebrating our first decade. Inside you will find a message from the Chairman, the story of how UNISA was born, highlights from the Annual General Meeting, our loan products and the success stories of members whose lives have been changed through saving.
